WHAT'S IN THIS KIT?

- 1 x Envoy Connect Player
- 1 x USB Charging Cable

1 x Envoy Connect Player

1 x USB Charging Cable

BEFORE RETURNING

Please ensure it is returned in good condition.

This item **MUST BE** returned to the library desk during branch opening hours.

DO NOT RETURN VIA THE RETURN CHUTE

WHAT YOU NEED:

- **A Library Membership with Vision Australia** (you can login or create an account)
- **A computer or laptop**
- **i-Access Kiosk software** (you can download it via Vision Australia)
- **Headphones with jack adapter** (optional)

HOW TO USE:

There is an excellent video showing you how to use the player. Please scan the QR code.

LOADING CONTENT ONTO THE PLAYERS:

Book Loading Software (i-access Kiosk):

Once downloaded select the 'KioskSetup.exe' or 'i-access Kiosk.exe' file to install it on your computer. When you install it, the software will provide further instructions. A detailed i-access Kiosk user guide can also be found in the Help menu of the software.

Manually Loading Books:

Audio content can be copied onto the Player from a computer using the micro USB port. When preparing content for the Player on a computer, place all the audio files for a book into a single folder. You must have one separate folder for each book.

TROUBLESHOOTING AND SUPPORT

There is an excellent collection of support documents and videos here

We'd love to see your stories!
